

This image shows a sheet of graph paper with a grid of small squares. A vertical line is drawn on the left side, creating a margin. The grid extends across the width of the page and down to the bottom edge. The paper is otherwise blank.

This image shows a sheet of graph paper with a grid of small squares. A vertical line is drawn on the left side, creating a margin. The grid extends across the width of the page and down to the bottom edge. The paper is otherwise blank.

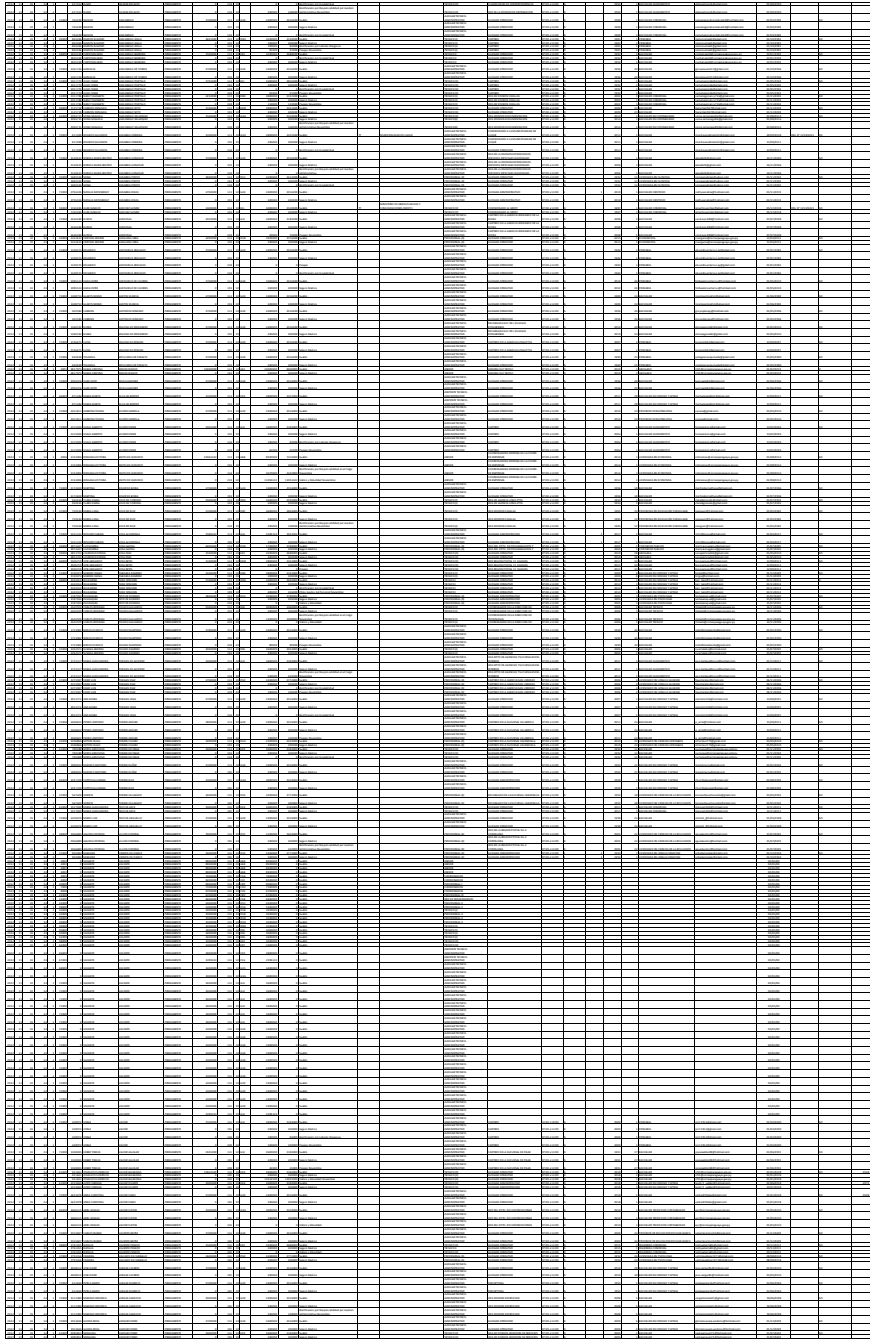

This image shows a large, empty grid of cells, characteristic of a spreadsheet or data table. The grid is composed of many small, uniform cells arranged in rows and columns. The grid is mostly empty, but there are a few faint blue lines visible near the bottom right corner, possibly indicating a selection or a specific data point. The grid is oriented vertically on the page.

The image shows a large, empty grid of cells, resembling a spreadsheet or a data table. The grid is composed of many small, uniform rectangular cells arranged in a regular pattern. The grid is positioned on the left side of the page, with a significant white space to its right. The grid is empty, with no text or data entered into any of the cells.
