The screenshot displays a Facebook post from the 'Dirección Nacional de Correos del Paraguay-Dinacopa' dated June 29, 2023. The post's main text states that the plan for reducing paper use in the Paraguayan Post was the topic of a virtual workshop organized by the MECIP (Coordinación de las Normas de Requisitos Mínimos para Sistemas de Control Interno). A link to a Bitly page (bitly.ws/JYkX) is provided for more information. The post also features two hashtags: #ElCorreodelaGente and #Capacitación, both accompanied by the Paraguayan flag emoji. Below the text, there are several screenshots of the virtual workshop. The top row shows two screenshots: the left one displays a grid of participants in a video conference, and the right one shows a presentation slide with a diagram of yellow circles. The middle row contains two more screenshots: the left one shows another view of the video conference grid, and the right one shows a presentation slide with a table. The bottom row consists of six smaller screenshots, each showing a different slide from the presentation, including one titled 'PROCESO - FIS', another titled 'SUBPROCESO - FIS', and others with various diagrams and text.
